BOUTIQUE-HOTEL LA ROCCA ****

Via Ronco 61, 6613 Porto Ronco – Ascona | +41 91 785 11 44

Open from March until October | benvenuti.ch/en/la-rocca

Small is beautiful. In an enchanting location above Lake Maggiore in Porto Ronco (near Ascona) lies the small 4-star boutique hotel La Rocca. The 19 lovingly and individually designed rooms are all unique. The only thing they have in common is the breathtaking view of Lake Maggiore and the Brissago Islands as well as the dreamlike scenery of the Ticino mountains.

In the panoramic restaurant, the kitchen team will spoil you with creative risotto variations as well as Mediterranean and classic dishes. The idyllic La Rocca is also a place to stay and place to linger and enjoy: in the colorful garden of the hotel, at the private lido on the lake or on the terrace with a glass of vino rosso from the hotel's own wine cellar. Thanks to the cordial service you will be in good hands during your vacations.
